Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the document on the attached listing. To the knowledge of the undersigned, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

Each foreign document listed in this Information Disclosure Statement was first cited in a Notification of Reasons for Rejection ("Notification") from the Japanese Patent Office in a counterpart foreign application.

Copies of the listed foreign documents are attached. In lieu of a statement of relevance or translation of the non-English documents, an English language version of the Notification from the Japanese Patent Office in a corresponding application citing

this document and setting forth the relevance thereof is enclosed. Applicant does not necessarily endorse the conclusions set forth in the Notification.

Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Patent Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
